Dispatch Services Agreement Contract

This is an agreement between BST Logistics LLC (hereafter referred to as BST Logistics) and _____, (hereinafter referred to as Carrier) is officially binding on this _____ day of _____ 20____.

Carrier has been authorized to by FMCSA to operate as a for-hire motor carrier pursuant to the authority issued in MC# _____ and DOT# _____.

Carrier wishes to utilize BST Logistics services to represent Carrier in acquiring loads from freight brokers, shippers and/or freight holders. Though being a service BST Logistics is hereby given Limited Power of Attorney by Carrier to conduct business on Carriers behalf. This Power of Attorney includes – but not limited to – searching for loads, contacting shippers, brokers and freight holders, and signing paperwork necessary to secure loads for Carrier.

In accordance to this agreement BST Logistics job on a load is complete once the rate confirmation for the load has been emailed to the Carrier and the Carrier has picked up the load. At this point the load is considered “secured” and the Carrier is responsible for payment to BST Logistics for that load. The rate to BST Logistics receives from the Carrier for this service is ____% of each “secured load.”

An invoiced week for BST Logistics service is from Friday through Thursday. Invoices for loads secured from Friday through Thursday will be due on Friday. For example, if a week starts on Friday 1st, the week will end on Thursday 7th. Loads secured from the 1st through the 7th are due on Friday the 8th. An “Invoice for Payment” will be sent to the Carrier listing all secured loads on that Friday 8th and every Friday afterwards if loads are secured during that week. If invoice is not paid by the end of the day on the following Monday, services will be discontinued and Carrier will be responsible for paying BST Logistics for all unpaid secured loads.

Payment method from Carrier to BST Logistics will be:

Quick Pay (Bank to Bank) Credit Card (3% fee) Factoring Mail Check (with tracking)

BST Logistics is strictly a service provider for the Carrier and is in no way connected to the business entity of the Carrier. Carrier will not hold BST Logistics responsible for any loss of loads, damage to loads, loss of profits, factoring issues, loss of paperwork, unsigned BOL's, or any legal issues Carrier may encounter during the course of business.

This agreement will remain in effect until the Carrier or BST Logistics decides to discontinue service. In such a case, either party must notify the other party through email, whether it is from BST Logistics to the Carrier or from the Carrier to BST Logistics.

Carrier will only utilize BST Logistics for securing loads as long as this contract is binding. The only exception is if Carrier secures load on his/her own behalf. Even in this situation Carrier must notify BST Logistics immediately that he/she has done so.

Factoring Service

In addition to dispatching Big Shaw Trucking also has access to a factoring company that offers many services, including same day funding, one hour funding, weekend funding, etc. on all completed loads with a signed invoice. This service is provided for just 5% of each invoice. Please ask about this service and we will put you in contact with a staff member for this factoring service for more details.
